If you wish, you can attach basic medical documentation.

#### “YOUR MEDICAL INFORMATION”

You will receive comprehensive information from us about what will be required from you for your specific medical procedures. In the meantime, please send us all of your medical documentation, and kindly fill out the medical questionnaire, which we will send you shortly by email.

#### “TREATMENT PLAN AND COMPLETE ITINERARY FOR YOUR STAY”

Within 48 hours after receiving your complete medical information, the clinic will forward to us their decision about your treatment, along with their complete treatment plan, pre and post – operative procedures, complete with dates and times. We will also send email to you the complete itinerary for your hotel accomodations, transportation, and translator, if requested.

#### “PAYMENT OPTIONS”

If you agree to the treatment plan and itinerary, please be advised that some clinics may require a partial payment as a deposit before your arrival. We will inform you in advance if this will be necessary.

#### “WELCOME TO POLAND”

We hope that your time spent in poland will be happy and beneficial to your health.
